

AYUSH KUMAR SINGH

Frontend Developer

+91 9350408533 ayushkumarsingh8596@gmail.com Pune, Maharashtra

ABOUT ME

I am a dedicated and enthusiastic Web Developer with a strong passion for coding and building responsive, user-friendly web applications. With a solid foundation in front-end technologies, I continuously strive to learn new frameworks and tools to enhance my development skills. Driven by curiosity and creativity, I aim to contribute to impactful projects and grow as a professional in the tech industry.

WORK EXPERIENCE

Zipin (Startup) | August 2025- Present

Frontend Developer Intern

- Assisting in developing and maintaining responsive web interfaces using HTML, CSS, and JavaScript.
- Collaborating with the design team to improve UI/UX for better user experience.
- Implementing reusable components and ensuring cross-browser compatibility.

ADIK Overseas LLP | September 2025 - Present

Freelance Web Developer

- Designed and developed a modern, visually appealing website based on client requirements.
- Delivered a fast, mobile-friendly, and SEO-optimized solution.
- Managed the full cycle from concept, design, coding, to deployment.

PROJECTS

Spotify Clone

- Built a responsive music streaming web app using HTML, CSS, and JavaScript.
- Implemented audio playback, playlists, and UI components similar to Spotify.

Personal Portfolio

- Designed and developed a personal portfolio to showcase skills and projects.
- Used modern UI/UX principles and responsive design for mobile-friendly access.

To-Do List with Speech-to-Text

- Developed an advanced to-do list app using HTML, CSS, and JavaScript.
- Integrated speech-to-text functionality, allowing users to add tasks via voice commands (unique feature compared to traditional to-do lists).
